

## QUALIFICATIONS

Geoff Dyer is a senior urban designer and principal for Calgary-based T-Six Urbanists Inc., and a partner and director with U.S.-based Placemakers LLC. Geoff has gained considerable international experience with some of North America's foremost urban design firms and world renowned urban designers. His broad range of experience includes master planning and urban design ranging from low-density hamlets to high-density inner city work. His roles include urban design, project management, charrette facilitation, education and public speaking, illustration, planning approvals, urban development, and building design. Geoff holds a Master in Urban Design from the University of Calgary, is a Knight Fellow in Community Building from the University of Miami, and holds dual citizenship in the U.S. and Canada.
